### REQUEST FOR STUDENT AWARD JUDGES

Murray F. Buell Award E. Lucy Braun Award

Judges are needed to evaluate candidates for the Murray F. Buell Award for the outstanding oral presentation by a student and the E. Lucy Braun Award for the outstanding poster presentation by a student at the Annual ESA Meeting at Memphis, Tennessee in 2006. We need to provide each candidate with at least four judges competent in the specific subject of the presentation. Each judge is asked to evaluate 3–5 papers and/or posters. Current graduate students are not eligible to judge. This is a great way to become involved in an important ESA activity. We desperately need your help!

Please complete and send this form by mail, fax, or e-mail to the Chair of the Student Awards Subcommittee: Christopher F. Sacchi, Department of Biology, Kutztown University, Kutztown, PA 19530 USA. Call (610) 683-4314; FAX: (610) 683-4854 or e-mail: sacchi@kutztown.edu

If you have judged in the past several years, this information is on file. If you do not have to update your information, simply send me an e-mail message, “Yes, I can judge this year.”

Name \_\_\_\_\_

Current mailing address \_\_\_\_\_

June/July mailing address \_\_\_\_\_

Current telephone \_\_\_\_\_ Summer telephone \_\_\_\_\_
